Lodging Information for Basic Training

Please note the policies and procedures for free lodging while attending ISSSA Basic Level training.

Eligibility: Lodging will be provided for participants who qualify as non-commuters (traveling more than 75 miles one way). All onsite trainings take place at the **Sheraton Indianapolis Hotel & Suites, 8787 Keystone Crossing**, Indianapolis, Indiana 46240 (phone: 317-846-2700). Directions to the hotel are located on the Academy website at: <http://doe.state.in.us/issas/confdirections.html>.

Due to the increasing number of participants and a limited number of rooms, hotel reservations are on a first come, first serve basis and must be placed prior to the deadline. DOE will not be able to find additional lodging once the deadlines are past and the block of rooms is sold out.

To maximize the available rooms, it is requested that participants of the same gender from the same school corporation share rooms.

When making reservations, participants will have to provide a credit card for any incidental expenses such as long distance phone calls, room service, etc. **This card will also be charged if participants do not attend and fail to cancel their room reservations.**
